

Investing for Success

**Under this agreement for 2022
Brigalow State School will receive**

\$11,790*

This funding will be used to

- Build staff capacity and capability around the teaching of reading.
- Improve our current reading data (from Term 1 2022) to 80% of students achieving at or above the DDSW Regional Reading Benchmarks (end of year standardised reading test results, 2022).

Our initiatives include

- Providing focused and intensive teaching for students requiring additional support as identified through data analysis.
- Providing staff with targeted professional development around the teaching of reading to improve staff capability.
- Purchasing decodable readers and other books required to provide students with intensive teaching.

Our school will improve student outcomes by

Providing MultiLit Professional Development	\$ 1,100
Purchasing decodable readers and other books	\$ 1,500
Purchasing teacher aide time to implement intensive teaching of reading - MultiLit	\$ 9,190
TOTAL	\$11,790
